Please provide us with your schedule for Metro Council and Committee action. Carl: Councilwoman Woolridge will be appropriating **\$40,000 for Emergency Repairs/ \$10,000 for Paint and \$6,000 for Security Lights** programs from her Capital Infrastructure Funds to go to Metro Housing Resources Center. She would like to appropriate the funds through your office (interagency) for this purpose. We will do the paperwork (CIF Department/Agency Request form) but need you to indicate that the funding can go through your department.

Please send a response as soon as possible: she would like to get this item on the next Appropriations' agenda (Feb. 16, 2006).

Thank you for your assistance.
